

Annual Fundraiser Sponsorship

Banyan Community recognizes that in order for people in the community to thrive and succeed, whole families AND the larger community must be connected. In South Minneapolis for over 25 years, Banyan programming has a full arc of impact from toddlers to parents and seniors. Banyan creates educational pathways for youth to develop leadership skills, engage in positive and meaningful relationships with peers and adults, and broaden their horizons.

Corporate Gathering

Thursday, May 8, 2024 from 8:00-9:30AM

Our Corporate Gathering fundraiser will celebrate the valuable partnership organizations can have in the non-profit sector. Sheletta Brundidge, remarkable Twin-Cities personality and creator of SHElettaMakesMeLaugh, will be helping to share the stories of Banyan. Breakfast will blend treats from local restaurants along with some great coffee. Hosted in the newly reopened Coliseum, this will be a morning of encouragement and offer the opportunity to transform the lives of youth and families in the Phillips neighborhood. As a sponsor of the Corporate Gathering, you provide the financial support to make transformation possible!

“Supporting our local communities has been an essential part of Cargill’s commitment to being a responsible corporate citizen. Banyan Community aligns with our corporate values and impact strategy, and we have proudly supported their progress for many years.” -Erica Messmer, Cargill
